

Summary of Public Input

Virtual Office Hours: North Valley NPA

December 11 @ 12:00pm

1 Participant

- Address traffic congestion on Hwy 76 and associated interchanges.
 - Smart traffic management technologies
 - Grade-separated crossings
- Additional development north of the SLR River must be accompanied by improved access across the river (e.g., new crossings).
- The SLR River Trail is a great amenity. Access to the trail should be improved.
- A formal ped/bike path should be established along the north side of the SLR River from Douglas to College.

Informal trail along the north side of San Luis Rey River (at Douglas Drive)
